EXPERIENCE

2023-2024

BOH Chef / Tijuana Flats / Mandarin, FL

2024-CURRENT

BOH Chef / Five Guys / St. Johns, FL

Summary: I've worked in multiple fast-paced kitchen environments where I had to coordinate with team members to execute a very specific blueprint in a timely manner.

Key Responsibilities

- Troubleshoot and resolved hardware/software issues
- Provided technical support to peers, demonstrating problem-solving & customer service skills
- Logged and documented issues during mock ticketing systems in lab simulations
- Followed strict food safety & sanitation standards
- Maintained efficiency under pressure while multitasking
- Communicated effectively with team members to keep operations running smoothly

EDUCATION

Florida State College at Jacksonville

BS in Computer Systems Networking - IN PROGRESS
